The 50th Year of Jubilee and the 120th Jubilee - The date of "**March 30, 2006**" was the date and time of the start of the 6000th Year since the creation of Adam and Eve to this date and time in history. This date of March 30, 2006 was also the start of a New Year and a New Moon, and it was the official start of a "**50th Year of Jubilee**" and the "**120th Jubilee**" since the time of Adam and Eve in the Garden of Eden to this present date and time; it is a new beginning for humanity living on this blessed and beautiful Earth.

The Seventh Millennium - The date of "**March 20, 2007**" is the start of the "**Seventh Millennium**," which is a new cycle of a new millennium. This date is also the start of a New Year and a New Moon, and it is the beginning of a new cycle of a Jubilee, and also it is the beginning a new cycle of the Agriculture Year (the first year). Additionally, this date is the time of the full restoration of the Nation and people of Israel unto the true, Lord God Almighty, as well as of all nations and people that do turn to, and convert-join unto the true, Lord God Almighty. Most of all, this date is the beginning of the fullness of the Lord God's Theocracy Government-Kingdom and Holy Laws coming into and being in full existence throughout this entire Earth.

This "**50th Year of Jubilee**," and this "**120th Jubilee**," and this "**6000th Year**," as well as this time period being the beginning of the "**Seventh Millennium**" unto the Lord God, are important events and precious time unto the Lord God, as well as for humanity. This precious time is the new beginning, restoration and renewal of humanity - it is a new beginning for "**all**" individuals, families, people, cities and nations throughout this Earth to repent, and to return to, and convert unto the true, Lord God, and to return to, and accept, and live "**only**" under his true, Theocracy Government-Kingdom and Holy Laws, and also to return

to doing the Lord God's perfect divine will. This precious time is the time of the full removal of "all" types of darkness from humanity, especially spiritual darkness that has existed upon humanity since the Garden of Eden, including spiritual darkness of man-made systems of governments, and spiritual darkness of false religious and false cultural beliefs, and spiritual darkness of the false economic system of this Earth, as well as for the full removal of "all" types of spiritual darkness that have existed upon humanity since the Garden of Eden. This precious time is now the time of a true, new beginnings of repentance, cleansing, healing, true salvation, spiritual enlightenment, restoration, replenishing and renewal of humanity unto the true, Lord God. Our physical Earth will indeed exist for another 1000 years, and this is a time of thorough cleansing, healing, spiritual enlightenment, restoration and salvation for humanity, and this is a time for there to be great blessings and prosperity for "all" of humanity. Also, this precious time is the new beginning of true wisdom, knowledge, understanding, education, justice, righteousness, true freedom, financial securities and financial freedom, liberty and full equality for everyone.

Secondly, wars, hatred and strife will cease from among individuals, families, people, cities and nations of this Earth. Many people and many nations of this Earth will indeed beat their swords of military warfare into plowshares of agriculture, gardening, forestry and animal husbandry machinery, equipment, tools and supplies starting now in this Seventh Millennium - as foretold by the holy prophets of the Lord God. This is now that perfect, precious and blessed time in which humanity is to beat their military swords of warfare into plowshares of agriculture, gardening, forestry and animal husbandry machinery, equipment, tools and supplies. This is now that perfect, precious and blessed time in which humanity is to return to living on the land, and of there being great blessings and prosperity of the Lord God that will take place for humanity, as well as for the thorough cleansing, healing and restoration of the animals and sea creatures, and of the entire physical Earth unto the Lord God. The many land areas of this Earth will be "**justly divided**" into provinces and into allotments of land, and the allotments of land will be "**freely given**" to the people as a generational property for these next 1000 years here on this present Earth. Men, women and children are to live on their own land property, and they are to be diligent, good tillers-farmers, gardeners, foresters and animal husbandry of their own land property, and also be good stewards of this entire Earth, as well as be good stewards over all the animals and sea creatures of this Earth during these next 1000 year here on this vast, beautiful Earth. I fully encourage everyone to take

the time and to thoroughly read, study, know and understand the entire Holy Scriptures (the Old Testament), including study the Holy Scriptures concerning the importance of the **"50th Year of Jubilee"** in letting **"all"** debts be fully abolished, as well as the importance of returning back to living on the land with full land ownership and with full Title Deed thereof. (Read: Leviticus 25:1-34; Leviticus 27:24; Deuteronomy 15:1-2; Nehemiah 5:1-13; Zechariah 14:16-21; Isaiah 61:1-11; 62:1-12; 66-1-24; 58:1-14; Jeremiah 34:8-22; Daniel 7:17-18; Daniel 7:27; Isaiah 2:1-4; Micah 4:1-4)

Thirdly, I fully encourage everyone to take time and thoroughly read, study, know and understand the importance of living **"only"** under the Theocracy Government-Kingdom and Holy Laws of the Lord God, and in always doing his perfect divine will, including in living on the land and in being diligent, good tillers and good stewards of this Earth, as well as being good stewards over all of the animals and sea creatures of this Earth, especially because **"all"** of these things are to the perfect divine will of the Lord God Almighty for humanity starting now and for this Seventh Millennium, and will be so forevermore. When the Earth is filled with the true wisdom, knowledge, understanding and acceptance of the true, Lord God, and of his righteous, just, Theocracy Government-Kingdom and Holy Laws, as well as when humanity go forth and do the perfect divine will of the Lord God in having land ownership and in being diligent, good tillers and good stewards of this entire Earth, only then will hatred, wars and poverty cease from out of this Earth. (Read: Isaiah 11:1-16)

The time period starting from the time of **"March 30, 2006"** is indeed a **"Sacred, Holy and Blessed Time unto the Great Lord God Almighty,"** and for all those who do love, serve, obey and have faith in the Lord God, as well as for **"all"** those many individuals, families, people, cities and nations throughout this Earth who will do indeed repent and join (convert) unto, and love, serve, obey and have faith in the true, Lord God Almighty, and especially because this is a new millennium - the Seventh Millennium - unto the Lord God Almighty and for all of humanity. Since the ending of the 1290 Days Bible Prophecy (2550 Years), which prophecy ended in the spring of 1948, great darkness was removed from hundreds of millions of people throughout this entire Earth. In the past 500 years, and especially since the spring of 1948, the Lord God himself allowed humanity to obtain great advancements in wisdom, knowledge, understanding, education, good sciences, discoveries, technologies, inventions, excellent material goods and services, as well as obtaining great advancements in travel, including high-speed, world-wide travel. In this Seventh Millennium there will be greater advancements in

all of these areas, as well as great blessings, prosperity, full land ownership, and great riches and wealth for all of humanity for these next 1000 years here on this beautiful, blessed Earth that the Lord God has given to humanity.

The holy prophets of the Lord God Almighty foretold of the full restoration of the Nation and people of Israel, which restoration started in the spring of 1948, and how that the Nation and people of Israel, as well as many individuals, families, people, cities and many nations throughout this Earth, will repent, and will turn to, and be joined to (converted to) the true worship of the true, Lord God Almighty, and be joined to (converted to) his true, holy, righteous, just, Theocracy Government-Kingdom and Holy Laws, as well as do his perfect divine will in present this day and age. Also, the holy prophets foretold how that many individuals, families and nations will come up to Worship the Lord God Almighty at the City of Jerusalem, Israel, during this **“Sacred, Holy and Blessed Time,”** and will continue to do so during these next 1000 years here on this beautiful and blessed Earth. Do indeed seek to come up unto the true, Lord God Almighty in true, holy Convocations of Gatherings of Prayers and Worship wherever you may be now, and do indeed seek to come up to the beautiful, blessed and holy City of Jerusalem, Israel, starting now, and continue to do so during these next 1000 years, and also do indeed seek to come up to the City of Jerusalem, Israel with Tithes and Offerings unto the Lord God. Additionally, it is very important to do all of these many different things in loving fellowship, praises, honor, sanctification, rejoicing, songs and instruments of praises unto the Lord God. Fully enjoy vacationing, sightseeing and exploring the beautiful, blessed City of Jerusalem, and the land of Israel, as well as fully enjoy vacationing, sightseeing and exploring this vast, beautiful Earth that the Lord God has given to humanity starting now, and continue to do so during these next 1000 years of this Seventh Millennium.
